A MESSAGE FROM THE CHAIRMAN

You will all no doubt be aware that, due to work commitments, Monty resigned as Academy Director a few weeks ago.

Until the Club AGM in November when a new Academy Director will be elected, Neil Shardlow and I will be taking full responsibility for the Academy and have already set the wheels in motion to seek ways of building on this season's many successes and find ways of improving what we do.

We already have nine coaches looking to take their UKCC level one and level two courses, which

we will need to adequately provide quality coaching for our ever increasing numbers. I have been immensely impressed with the way all teams have performed and enjoyed taking under 9 and under 11 teams to tournaments and matches and would like to thank all parents for their continued support. Needless to say, more help will always be needed and appreciated!

If you do have any questions or comments, please do feel free to contact me directly at rob@shillaker.net or home: 01249 714160 mobile: 07990 524363

KIT FOR KENYA

Joe Shillaker raised £3500 for a school in Kenya which was sent to the headmaster. They have since purchased land and are in the process of building the 'The Joe Shillaker Sports Centre'!

In September Joe is at last going to Kenya to visit the school and would like to take some sports clothing.

Have you any kit that you have out grown ?

On August 22nd Joe is planning a 100 mile ride from Cardiff to Oxford to raise more money for the school.

Please sponsor him. Every £1 helps.

E mail him at joe@shillaker.net

AFTER SCHOOL CLUB PROVES ITS WORTH

With thanks to Joe Shillaker and Rob Reed, the qualified coaches who have led the programme, and lots of young helpers, the After School Club (ASC) has been a resounding success this summer.

The purpose of the ASC is to provide an important link between the Chance to Shine project in six of the Corsham Schools and the Academy which provides more coaching, teams and matches.

Over 50 children have regularly attended the under 9 sessions and 20 have attended the 10 and over sessions. Those who have shown potential have been invited to join the Academy.

The ASC, which is a 'pay and play' initiative, has had some organisational problems which have been addressed to ensure that the concept remains an important building block in the clubs development pathway from school to adult cricket.

Westbury won by 9 wickets**BECKY & ELLA'S FIRST COUNTY MATCH**

It was the day of my first Girls under 13s County Match and I was heading to Westbury with my dad to meet the rest of my team mates to play against Devon. I felt really nervous as I wasn't sure exactly what to expect and wondered if I would remember everything I had been taught in training! I was surprised at how professional it appeared to be with our own dressing room in the club house. It was great fun warming up with Lisa Keightley and Steve Webb because everyone was really excited and looking forward to the match, my nerves started to go away a little bit too.

This was my first game playing full cricket on a proper wicket and with "real umpires"!

We were fielding first. The fielding was great because we all encouraged each other.

Whenever we got a wicket we all got into a group and congratulated the bowler. By the time it was my turn to bat the adrenalin was running through

me and I just couldn't wait to get out onto the pitch. It was really nerve-racking because I didn't want to let my team down and get out first ball.

Devon had really good bowlers but I managed to get my bat to the ball to score runs including a 4 and the rest of my team mates did very well too.

Sadly we were all bowled out short of the target but I was really proud of our team. We have since won games against Dorset and Cornwall and have played Devon again and despite losing (again) it was much closer and we have definitely improved!

Becky Davison-Smith

CONGRATULATIONS!

To Adam Mitchell for his 157 runs scored at Warminster in an under 15s County Match against Isle of Wight. A car windscreen was broken, a roof tile and several windows smashed and three lost balls!

Corsham beat Chippenham in the under 13 A match in the BDCYL semi final by 8 wickets!

Matthew Edwards bowled 5 for 14 in 4 overs and Tom Foley scored 33 not out.

We wish them luck in the final against Keynsham on 30th August.

The North West U10 District team won all 4 of their matches beating North East, Salisbury, West Wilts and Kennet. Corsham players representing the North West were Ed Mortimer, Sam Brain, Charley Reed, Xavier Graham and Tim Edwards.
